Acme Global Enterprise

Working Hours, Attendance, and Overtime Policy (2026)

Policy ID: HR-ATT-2026 | **Effective:** 2026 | **Applicability:** Global Workforce

1. Standard Working Hours

The standard full-time workweek comprises 40 hours, organized as five 8-hour days, Monday through Friday, 9:00 AM to 5:00 PM local time. Flexible work schedules may be established with prior agreement between the employee and their department manager, provided business coverage is preserved.

2. Punctuality and Unplanned Absences

Employees are expected to arrive punctually and be ready to begin work at their scheduled start time. In cases of unexpected emergency or illness, notice must be communicated to the team lead via phone or messaging at least 30 minutes before the scheduled start time.

3. Overtime Regulations and Authorization

Non-exempt employees who work in excess of 40 hours in a given workweek will receive overtime compensation at 1.5 times their regular hourly rate. All overtime must be pre-authorized in writing by the direct supervisor. Working overtime without prior authorization is strictly prohibited.

4. Attendance Records and Progressive Discipline

Accurate timecards must be submitted by Friday 5:00 PM every week. Patterns of unexcused tardiness, unauthorized absence, or failure to record working hours will lead to progressive disciplinary steps: (1) Informal Coaching, (2) Written Warning, (3) Performance Improvement Plan, and (4) Termination of Employment.
