Demo notice: This is a fictional company policy created for testing an HR RAG application. It is not a real company's policy or legal advice.

1. Company Overview

XYZ Technologies is a fictional software, cloud and AI services company headquartered in Hyderabad, India. It builds business applications, data platforms and AI-enabled products.

2. Mission and Values

Mission: Build trustworthy technology that makes complex work simpler.
Values: Customer Focus, Ownership, Integrity, Learning, Inclusion, Simplicity and Responsible Innovation.

3. Working Model

XYZ uses a hybrid model for eligible roles. Standard working days are Monday through Friday. Core collaboration hours are 10:00 AM to 5:00 PM IST unless an approved shift arrangement applies.

4. Leave

The active leave policy provides Annual Leave, Sick Leave and Casual Leave. Employees normally apply through the HR portal and obtain manager approval. See HR-LEAVE-001.

5. Conduct

Employees must act honestly, respectfully and professionally, protect company information and disclose conflicts of interest. See HR-CONDUCT-001.

6. Benefits

Eligible employees may receive medical insurance, accident cover, learning support and employee assistance resources. See HR-BEN-001.

7. Technology

Company devices, accounts and data must be used responsibly. See IT-SEC-001.

8. Performance

Employees participate in goal setting, quarterly check-ins and a formal annual review.

9. Separation

Employees leaving XYZ must follow notice, knowledge-transfer, asset-return and exit-clearance procedures. See HR-EXIT-001.

Policy governance

People Operations reviews policies periodically. The company may amend or replace policies. Where a more specific approved policy applies, that policy governs. Applicable law and the employee's employment agreement take

precedence where required.
