1. Active Entitlements

Leave Type	Annual Entitlement	Typical Use	Approval
Annual Leave	18 working days	Planned vacation/personal time	Manager
Sick Leave	10 working days	Illness/recovery	Manager; documentation may be requested
Casual Leave	6 working days	Short personal needs	Manager

2. Planned Leave

Planned leave should normally be submitted at least 3 working days before the start date. Managers should normally respond within 2 working days.

3. Sick and Emergency Leave

Employees should notify their manager as soon as reasonably possible when illness or an emergency prevents attendance. Supporting documentation may be requested for extended or repeated absence.

4. Carry Forward

Up to 12 unused Annual Leave days may be carried into the following leave year. Unused Casual Leave expires at year-end.

5. Notice Period

Leave during a notice period requires manager and People Operations approval and may be restricted when it would materially affect transition activities.

6. Unauthorised Absence

Absence without notification or approved leave may be treated as unauthorised absence and may result in corrective action.

Policy governance

People Operations reviews policies periodically. The company may amend or replace policies. Where a more specific approved policy applies, that policy governs. Applicable law and the employee's employment agreement take precedence where required.
