Policy ID: HR-WFH-001 **Version:** 1.0
Effective Date: 1 April 2026 **Owner:** People Operations
Classification: Internal — Employee Reference

1. Eligibility

Hybrid or remote work may be available for roles that can be performed effectively away from the office. Eligibility depends on role, team requirements, performance and manager approval.

2. Standard Hybrid Arrangement

Eligible employees normally work from the office at least 2 days per week. Teams may designate additional office days for collaboration, training or customer requirements.

3. Core Hours

Employees must be reachable during core collaboration hours from 10:00 AM to 5:00 PM IST unless an approved flexible schedule applies.

4. Approval

Planned remote days require manager approval through the approved HR/team workflow.

5. Security

Employees must use approved devices, MFA, secure networks and screen locking. Confidential information must not be discussed where unauthorized people can overhear it.

6. Working From Another City/Country

Extended work from another city or country requires written approval because payroll, tax, security and compliance considerations may apply.

Policy governance

People Operations reviews policies periodically. The company may amend or replace policies. Where a more specific approved policy applies, that policy governs. Applicable law and the employee's employment agreement take precedence where required.
